ENGINEERING DEPARTMENT.

TUMKUR DIVISION.

Notification dated 17th February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 6th March 1940, for providing additional accommodation to the District Lock-up at Tumkur. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained on payment of annas four for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan for Rs. 160 credited to Treasury under "17 (a) P.W. Deposits" as earnest money, and be superscribed as "Tender for providing additional accommodation to the District Lock-up at Tumkur," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific terms of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

P. RAJAGOPALAN,
Executive Engineer.

CHITALDRUG DIVISION.

Notification dated 20th February 1940..

1. Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 3 P.M. on 9th March 1940, for constructing Linemen's quarters at Anagod and Vijapur on Davangere-Chitaldrug transmission line.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for constructing Linemen's quarters at Anagod and Vijapur on Davangere-Chitaldrug transmission line." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate Treasury challan only after having paid the deposit of Rs. 200 for each work in cash to the credit of "17 (a) P. W. Deposit" or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money and the balance up to 10 per cent will be reserved in the bills of the successful tenderer. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 9th March 1940 at 3-30 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chitaldrug, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Re. 0-4-0.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.
